

Why join Canadian Parents for French?

Membership in CPF is open to any adult who supports the goals of the association. You needn't be a parent — we include many educators, grandparents, program graduates, researchers and others.

As a CPF member you will....

- ✓ receive the CPF national, CPF Alberta and local chapter newsletters and communiqués
- ✓ be eligible for special offers available only to CPF members
- ✓ have access to information and resources on the “members only” sections of our national website
- ✓ be eligible for discounts on CPF publications and resources
- ✓ be able to participate in CPF-organized events, including workshops, conferences and activities designed for children or families

CPF members....

- work with others to improve opportunities for children to learn French as a second language in school and beyond the classroom
- organize and promote extracurricular activities to enhance the learning of French
- have access to the latest information and research on French-second-language education
- can network with others throughout Canada who support core French and French immersion programs
- show the federal and provincial governments and local school boards that Canadians actively support French-second-language education in our schools

Through your membership, donations and volunteer contributions, you can help make CPF activities at the local, provincial/territorial and national levels possible.
